

Chief Executive Officer
St. Paul's Hospital Foundation
Vancouver, BC

IMPACT THE FUTURE OF A CORNERSTONE INSTITUTION

Chief Executive Officer

For a great fundraising executive, the deepest satisfaction comes from engaging an entire community in the heartfelt support of a worthy cause. With its storied history of compassionate care, social justice and innovation, St. Paul's Hospital has established itself as a cornerstone in Vancouver and British Columbia.

Recognized for world-leading research, innovative teaching and internationally acclaimed programs and treatments, such as HIV/AIDS, cardiology/pulmonary and emergency, St. Paul's has established a global reputation for excellence and a local reputation for care to a diverse user group. As the CEO of **St. Paul's Hospital Foundation**, play a significant role in building a brighter future of discovery, inclusion and inspired care. With a long term plan to completely renew the hospital on the horizon, the Board will look to you for visible and vocal leadership as you rally stakeholders around continued support for this beloved downtown institution.

Through your leadership of a talented Foundation team, you will energize donors and raise the Hospital's profile in the community. Work with a distinguished Board and accomplished physician group. Draft an ambitious plan and incorporate the practices required to ignite donor enthusiasm. Create a best-in-class major gift program that involves and recognizes community leaders and private sector organizations. As the face of the Foundation, you'll reiterate the importance of the Hospital to the 460,000 patients it cares for every year.

As an accomplished senior fundraiser in the health, education or not-for-profit sectors, you have worked hard to build a reputation as a successful developer of donors and major gifts. Alternatively, you are a highly regarded business or community leader with the drive and ambition to leverage success and the motivation to meaningfully give back. As the CEO, you will have the chance to share the heart and soul of a wonderful institution with the people who depend on it most.

To explore this opportunity, please contact Elizabeth Abraham, Irene Hensel or Lisa Kershaw in our Vancouver office at 604-685-0261 or please submit your resume and related information online at <http://www.odgersberndtson.ca/en/careers/10487>.
