**December 2014 Class of Certified Fund Raising Executives Announced**

**Alexandria, VA – 16 December 2014** – CFRE International has announced the most recent class of Certified Fund Raising Executives (CFREs). These individuals join over 5,000 professionals around the world who hold the CFRE designation.

Individuals granted the CFRE credential have met a series of standards set by CFRE International which include tenure in the profession, education, demonstrated fundraising achievement and a commitment to service to not-for-profit organizations. They have also passed a rigorous written examination testing the knowledge, skills, and abilities required of a fundraising executive, and have agreed to uphold *Accountability Standards* and the *Donor Bill of Rights*.

CFRE International is an independent organization dedicated to upholding the highest standards in ethical philanthropic fundraising through the certification of fundraising executives. Governed by a volunteer Board of Directors and led by a small professional staff, CFRE International consistently meets the highest standards for certification excellence. The CFRE credential is accredited by the National Commission for Certifying Agencies.
